# A MOST WORTHY CAUSE

## SOMEBODY OUGHT TO DO SOMETHING ABOUT IT ....

### WE ARE TRYING IN MANY WAYS ....

By running clubs for educationally sub-normal children, physically and mentally handicapped persons, old age pensioners, youths, children, etc.

By organizing a work centre for old people.

By regular visiting to needy people in this area.

By trying to help ex-prisoners to get on their feet, through a large Associate scheme.

By other experimental pieces of social work.

We would like to do more.

### YOU CAN HELP . . . . .

Through donations, covenants and legacies

For further information, please write to:

## THE HOSTEL OF GOD

CLAPHAM COMMON  
LONDON, S.W.4

Patron: Her Majesty Queen Elizabeth  
The Queen Mother

This Hospital (entirely dependent on legacies and donations) has as its sole purpose the care of those who are in the last stages of a mortal illness (almost always Cancer). Here, in a group of Georgian buildings and a modern wing set in a beautiful garden, the Anglican Sisters of St. Margaret bring them peace and comfort, in addition to skilled medical care. No charge is made, and patients of both sexes are admitted without regard to creed or country.

### WE NEED HELP—TO GIVE HELP

## JERUSALEM

Members of the Church of England who are thinking about their wills may well be interested in the Jerusalem and East Mission which exists to support the Anglican Archbishop in Jerusalem in:

1. Proclaiming the Gospel to non-Christians.
2. Ministering to Christians working in and visiting the Middle East.
3. Promoting the unity of Christ's Church through increasing friendship and co-operation with the other Churches represented in Jerusalem.

To fulfil these aims J. & E.M. assists or arranges

Primary and Secondary Schools	Medical Work
St. George's Theological College	Chaplaincies
Hospitality for pilgrims	Help for Refugees
Inter-Church liaison	

The Archbishop in Jerusalem is responsible not only for his own diocese which includes Israel, Cyprus, Iraq and the Persian Gulf, but also for the general supervision of the dioceses which make up the synod of the Middle East: Iran, Egypt and Libya, the Sudan, and Jordan, Lebanon and Syria. J. & E.M. gives grants for work in all these areas.

FLATS

The Methodist Ministers' Housing Society has been set up to deal with the crucial problem of providing accommodation for retired Methodist Ministers at rents which they can afford. The Society now owns over one hundred and thirty dwellings, thanks to a considerable extent to generous assistance from legacies. Please bring the needs of this Society to the attention of your clients. Many more houses, flats and bungalows are required to meet the demand. Gifts of property and money by legacy are most appreciated.

The following is suggested as a convenient form of bequest :

"I bequeath/give to the Methodist Ministers' Housing Society Ltd., 1 Central Buildings, Westminster, London, S.W.1 for the general purposes of the said Society the sum of £..... (or for A GIFT OF PROPERTY) my freehold/leasehold residence known as..... absolutely, free from duty."

## THE BANK CLERKS' ORPHANS' FUND (formerly Orphanage)

Founded in 1883 by the Staffs of Banks in the City of London to help maintain and educate the children of Bank Officers and Clerks in the United Kingdom who are in need by reason of the father's early death or premature retirement through ill health. There is no institution and the Fund has currently some 1,100 beneficiaries in schools, universities and colleges throughout the country, or training variously for vocation or profession.

Expenditure on the children in 1963 at £140,743 greatly exceeded income, and Legacies and Donations are relied upon to make good the shortfall.

The Committee welcome the help of those concerned with Wills to further the objects of this charity, whose work—though little publicized—is nation-wide.

Information and forms of bequest will be gratefully supplied by the Secretary,

**KEEP OUT**  
**VIVISECTIONISTS**  
**AT WORK**

### **BUT ANIMALS CAN'T READ**

... and even if they could they're helpless, by themselves, to combat the possibility of becoming victims of anatomical experiments which cause untold pain and suffering.

### **HELP US TO HELP THEM**

Although certain doctors and scientists have realized that countless, repetitive and futile experiments on living animals are not bringing any beneficial results to mankind, the experiments continue. It is still an established fact that well over four million animals each year are sacrificed to vivisection in the laboratories of this country. No written word can express adequately the sheer terror and acute pain these unfortunate animals undergo.

### **HELP US TO HELP THEM**

If you could be there as a witness, or think of one of your own pets as a victim, you would most certainly be moved to take some immediate action. **YOU CAN DO SO NOW - BY HELPING US TO HELP THEM - WITH A DONATION.**

## ROYAL NORMAL COLLEGE FOR THE BLIND

(formerly of Upper Norwood, S.E.19)

Albrighton Hall, Broad Oak, Shrewsbury and Rowton Castle,  
near Shrewsbury

The College provides education and vocational training in music, piano tuning and shorthand-typewriting for one hundred and fifty boys and girls, the majority of whom become self-supporting citizens. It thus makes a definite contribution to national economy in effecting the complete rehabilitation of many disabled persons.

Voluntary effort was responsible for the foundation of the College and has continued to play an important part in its life. The College has used its own funds freely for the welfare of blind persons, and the replenishment of these funds is necessary to enable it to continue to help its students in ways additional to those provided by Public Authorities, and to maintain the speed and flexibility of action which are advantages of a voluntary service.

Persons considering suitable objects for charitable bequests are begged to apply to the Secretary for full particulars.

### DISABLEMENT NEED NOT MEAN HELPLESSNESS

The victims of disease and accident, the crippled, the blind, the deaf, the mutilated, the spastic and the polio sufferer *may be taught new skills and guided into new careers.*

Instead of the bitter loss of independence and the degeneration into a hopeless charge upon the community which all too often follow such misfortunes, the aim of The Council for Rehabilitation is to train the disabled to lead an appropriately active and useful life, with all that this means in self-respect and self-support.

This is rewarding work indeed both on behalf of the individual and of society.

### YOUR SUPPORT BY GIFT, LEGACY OR SUBSCRIPTION

will be gratefully acknowledged by the Hon. Treasurer, Major Norman Kark.

### The activities and services of the Council for Rehabilitation include:

Training Bureau for Hospital, Home-bound, Chronic sick and Disabled patients. Educational Courses and Conferences throughout Great Britain. Correspondence Courses for Hospital and Sanatoria patients. Post-discharge training for suitable vocations. Liaison with Government Departments, Industrial, Commercial and other organisations on rehabilitation problems.

## Mental and nervous breakdown

**-more cases!**

New cases are constantly coming to light from both world wars. Many are being treated successfully at the short-stay residential home of the Ex-Services Mental Welfare Society. Peaceful surroundings, comprehensive psychiatric treatment and rewarding occupational therapy combine to give them back confidence and self-respect. Once again they can take their place as useful working members of society.

For those with recurring nervous or mental disorders, we can offer secure full time employment at our Thermega Electric Blanket Factory. Here they can live in our Hostel or with their families in our Cottage Homes, with skilled psychiatric help always available. In our Old People's Home, war veterans can end their days in comfort and dignity.

The Ex-Services Mental Welfare Society is the only specialist voluntary organisation in this field. Will you help us to raise the £100,000 required annually? Please bring the Society to your clients' notice whenever appropriate. And, most important, if you know of a case whom we could help, please put them in touch with us. Full literature is available.

## INCORPORATED HOMES FOR LADIES WITH LIMITED INCOME

These homes were founded by  
the late Miss Jessie Lee in 1875  
and were exclusively designed  
for the assistance of poor  
ladies. The charity provides  
each lady with a separate un-  
furnished room, light, hot water  
and some attendance. Appli-  
cants must be over 60 and  
under 75 years of age, members  
of the Church of England or of  
some Protestant denomination.

Shelter for the Aged

# WILLing help

We gratefully acknowledge the financial encouragement to our work from the constantly growing income from legacies. This, more than any other factor has enabled us to embark on the capital expenditure for new Homes, now twenty, to accommodate a few of the hundreds of deserving people whose names appear on a tragically long waiting list. We thankfully acknowledge this most valuable assistance and ask you please to remember the Methodist Homes for the Aged when advising your clients.

General Secretary: REV. R. J. CONNELL, B.A., B.D.
